CALL TO ORDER

APPROVAL OF MINUTES

On a motion by Commissioner Katie Anderson and seconded by Commissioner Tyrone Wilson, the minutes of the Full Board Meeting held March 17, 2010 were approved. There being no further discussions or oppositions, the motion passed unanimously.

CHAIRMAN'S REPORT

First item was the Election of the 2010-2011 Officers.

Acting Chair Jones turned the proceedings over to Commissioner Guy Williams as Interim Chair

IIC Williams opened the floor for elections of Board Chairman, Board Vice-Chairman, LHFA President, LHFA Vice-President, and Board Secretary-Treasurer for 2010-2011. The floor was then opened for nominations of the five (5) vacancies.

Commissioner Donald Vallee offered a motion to defer the elections to the May BOCM due to the BOC having just received the President/Vice-President evaluations concurrently; and also noted that he had become aware in the past day or so of others wanting to serve in different positions on the BOC. He suggested that there be time to interview those interested.

Human Resources Committee Chair Tyrone Wilson replied that the HRC was not scheduled to meet and that the evaluations had already been handled by the Chair and himself, pursuant to previously noted guidelines.

Commissioner Vallee furthered by inquiring as to why the evaluations had been received by the BOC only an hour earlier. HRCC Wilson replied that it was never the intent of the HRC to directly disseminate the evaluations to each commissioner prior to the BOCM.

Thereafter, AC Jones ruled the motion to defer out of order pursuant to Article 5 of the Bylaws, which denoted that it is mandatory to hold elections in April of each year.

Commissioner Michael Airhart called a Point of Order, noting Article 4, Section 2 of the Bylaws protocol for procedures whenever no successor is elected. AC Jones noted from him that the item he was referencing specifically dealt with when no one was selected, but that Article 5 mandates April elections and that the aforementioned protocol was for when no one was elected and/or if there were a tie vote.

Commissioner Vallee requested his deferral motion be acted upon. AC Jones noted that she had previously ruled on said item as being out of order.

Commissioner Vallee requested that his staff evaluate the legal opinion on said item as he had been given a differing legal opinion.

AC Jones reiterated the language in Article 5 of the Bylaws. LHFA Senior Attorney Christine Bratkowski concurred in the legal interpretation of the matter, noting that elections were mandatory in April of each year.

Commissioner Airhart inquired to the BOC if anyone had a problem deferring the matter. Commissioner Mayson Foster noted his disapproval thereof, as well did Commissioner Katie

Anderson. Ms. Bratkowski also noted that the Bylaws could not be changed simply by a verbal request but would have put in writing and actually voted on at the next BOCM.

Commissioner Vallee noted to AC Jones his concern that she participate in said discussion given she was intending to run for Chair. AC Jones noted Commissioner Vallee's objection for the record, and noted that the Bylaws had been adopted prior to her appointment to the Board.

AC Jones proceeded with the election of officers, and then turned over the proceedings to Commissioner Guy Williams.

Interim Chair Williams open the floor for nominations for Board Chairman.

Commissioner Donald Vallee nominated Michael Airhart for Board Chairman, and Allison Jones as Vice-Chair. Ms. Jones noted that she would not accept his nomination for Vice-Chair.

Chair Jones then opened the floor for nominations for LHFA President. Commissioner Tyrone Wilson nominated Milton Bailey for LHFA President. Since there were no other nominations for LHFA President presented, Commissioner Joseph Scontrino moved the nominations thereof be closed, and was seconded by Commissioner Elsenia Young.

Commissioner Airhart requested discussion on the matter. He requested deferral of the matter until the May BOCM pending a convening of the Executive Committee, noting that he had recently become aware of some things in the last two weeks that needed further discussion.

Chair Jones noted that if such occurred it would be inconsistent with the previously discussed legal opinion. Ms. Bratkowski concurred, noting that all officer elections were to take place in April per Article 5 of the Bylaws.

Commissioner Vallee inquired what would happen if Mr. Bailey was not re-elect who would be next in line for the presidency. Chair Jones noted that first it would first be in violation of Article 5 of the Bylaws, and based on Mr. Bailey employment contract he would in fact continue in his position as Agency President.

Commissioner Vallee also noted that his concurrence in Mr. Airhart's previous assertion of concerns from others and that he would also like the Executive Committee to be formed to address said issues prior to renegotiation the president's contract. He offered to discuss said issues during the BOCM but such was dissuaded by Chair Jones.

Commissioner Anderson moved the nominations thereof be closed.

Chair Jones closed the nominations for LHFA President, declaring Mr. Milton Bailey as the 2010-2011 LHFA President. There being no further discussions or oppositions, the matter was passed. There was one OBJECTION vote from Commissioner Vallee.

President Bailey thanked the Chair, the BOC, the developers and advocates, and the Agency staff for their vote of confidence in his administration of the Agency.

Chair Jones then opened the floor for nominations for Secretary/Treasurer. Commissioner Mayson Foster nominated Milton Bailey for Secretary/Treasurer. Since there were no other nominations for LHFA Secretary/Treasurer presented, Commissioner Katie Anderson moved the nominations thereof be closed.

Thereafter, Commissioner Airhart inquired as to whether the Secretary/Treasurer could be someone other than the President. Chair Jones noted that historically it has been the same person. Ms. Bratkowski noted the Bylaws did not require they be the same person, but that it was permissive.

Chair Jones closed the nominations for Secretary/Treasurer, declaring Mr. Milton Bailey as the 2010-2011 Secretary/Treasurer. There being no further discussions or oppositions, the matter was unanimously passed.

PRESIDENT'S REPORT

LHFA President Milton J. Bailey noted there was stalled traction on the pending 1602 Exchange and PIS legislative matters in WashDC, but that more movement might transpire in May. Chair Jones noted her support for the development, and inquired on the difference in the original cost estimates and the final cost estimates. Sheila with Post Architects noted the current construction budget is the final cost estimate and that no further costs were anticipated thereafter.

Vice-Chair Airhart noted his likewise support for the project; but also stressed the BOC fiduciary responsibility.

Dr. Tijerino advised the BOC that the current construction budget included all final cost estimates.

Commissioner Scontrino inquired as to the necessity to spend more money per square foot in order to meet LEED certification parameters. Dr. Tijerino advised him that the cost of the community center should be subtracted in the actual calculations thereof.

Ms. Minor noted that the NSP funds must be expended by July and that there was no other current Agency project that meets the prescribed criteria, so the funds for LEED were readily available.

Chair Jones requested the record reflect the presence of Commissioner John N. Kennedy.

Commissioner Kennedy inquired on the total cost per unit. Noting that if the per unit cost as \$115K why not opt to build a \$150-\$175 home instead. Skipper with PA noted that the community center should not be included in the calculations thereof, and also that cheaper housing with low density doesn't work effectively for well for communities. Ms. Minor also noted that NSP requires that funds be used to redevelop properties to their original state and to remove blight from communities

Commissioner Mark Madderra inquired to whether the Agency had any options of taking federal credits for the energy efficient amenities. Sheila with PA noted she would check into the matter and that they had already starting exploring options for any other credits and/or incentives.

There were very lengthy discussions between the Board, Ms. Evans, Mr. Neveu, and several audience members on the aforementioned matter.

Commissioner Vallee requested that due to confusion in the scoring and ranking, he'd like the matter deferred until the May 2010 BOCM.

Commissioner Madderra concurred in a deferral, also noting that when the QAP scoring is done there is usually a comment period for the developers and also a review of the preliminary rankings.

Chair Jones inquired as to what specifically were they seeking from the Agency.

Dr. Jones noted that they wanted the items outlined in their April 10th letter to the Agency, specifically more TCAP funding, funds to cover the additional costs incurred, and forgiveness of their loan.

Ms. Evans advised the Board that staff had reviewed said requests and were recommending no additional TCAP funds for the projects.

Chair Jones advised everyone that the Board need more time to decide on the matter; that she was very supportive of projects that have been subjected to NIMBYism plights; that the matter be put on the May 2010 Agenda; and that the developers should continue working with staff noting any other possible funding options.

Commissioner Foster noted he's only acquiescing if the decision did not affect any other projects.

Mr. Rohan thanked the Board for letting them present their side of the matter; he went over the historical aspects of the project again; and stated there were no other projects in their same case that he was aware.
