

## **Proposed Suspension and Debarment Policy**

### **I. Introduction**

As a recipient of federal and state funds, the Louisiana Housing Corporation (hereinafter "LHC") has a duty to ensure that all funds are expended solely for their intended purposes and in accordance with applicable regulations and funding requirements. To meet this obligation, the LHC may suspend or debar individuals and/or entities which fail to comply with all rules, statutes, and best practice standards. This policy will cover all programs that are funded by the LHC.

### **II. Grounds – Suspension versus Debarment**

Both suspension and debarment would be subject to appeals. Suspension and/or debarment with respect to any entity will also apply to that entity's officers, partners, and/or members.
