PROJECT ISSUES: None.

MITIGATION: None.

FINDING OF NO SIGNIFICANT IMPACT: LHC has determined that the project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement under the National Environmental Policy Act of 1969 (NEPA) is not required. An Environmental Review Record (ERR) that documents the environmental determinations for this project is on file at LHC, 2415 Quail Drive, Baton Rouge, LA 70808, (225) 763-8700 and may be examined or copied weekdays 8:00 a.m. to 4:30 p.m.

PUBLIC COMMENTS: Any individual, group, or agency disagreeing with this determination, or wishing to comment on the project may submit written comments to this office by mail to the LHC Environmental Department or by email to Amber Lavergne at alavergne@lhc.la.gov. All comments received by **April 23, 2025** will be considered by this office prior to authorizing submission of a request for release of funds. Commenters should specify which part of this Notice they are addressing.

RELEASE OF FUNDS: LHC certifies to HUD that Kevin J. Delahoussaye, in his capacity as LHC's Executive Director, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been

satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities, and allows LHC to use HUD Program Funds.

OBJECTIONS TO RELEASE OF FUNDS. HUD will consider objections to its release of funds and LHC's certification received for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of LHC approved by HUD; (b) LHC has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the project have committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.
