Pursuant to Section 42(m)(1)(B) of the Internal Revenue Code of 1986, as amended (the "Code"), a Qualified Allocation Plan means any plan:

- (i) which sets forth selection criteria to be used to determine housing priorities of the housing credit agency which are appropriate to local conditions,

 - (I) projects serving the lowest income tenants,

Section 1.42-5(h) of the final regulations provides that the procedures for monitoring for non-compliance "apply to buildings for which a low-income housing credit is, or has been, allowable at any time."
