The lead-based inspection will be conducted using the procedures dictated by La. Admin. Code Title 33 Part III §2811 *et seq.* (LAC 33: III, Chapter 8) and in accordance with HUD Guidelines. Based on the building painting condition and test results, the lead-based paint inspector and/or Risk Assessors will test painted surfaces associated with the dwelling through use of the XRF Surveying instrument, lead dust sampling, and lead soil sampling. The LDEQ certified Lead Risk Assessor or Lead Inspector will collect dust samples from the interior floors and windowsills of all rooms of the property. Soil samples will be collected from the front yard, backyard, and drip lines along the building perimeter. Best's insurance company rating may be waived for workers' compensation coverage only.

2. Commercial General Liability

Commercial General Liability insurance, including Personal and Advertising Injury Liability and Products and Completed Operations, shall have a minimum per limit occurrence of \$1,000,000 and a minimum general aggregate of \$2,000,000. 6. Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and accepted by the LHC. The Contractor shall be responsible for all deductibles and self-insured retentions.

officers, directors, agents, employees, and volunteers, for losses arising from work performed by the Contractor for the Corporation.

- c. *All Coverages.* All policies must be endorsed to require thirty (30) days written notice of cancellation to the Corporation. Ten (10) day written notice of cancellation is acceptable for non-payment of premium. Notifications shall comply with the standard cancellation provisions in the Contractor's policy. In addition, Contractor is required to notify the Corporation of policy cancellations or reductions in limits.

The acceptance of completed work, payment, failure of the LHC to require proof of compliance, or the LHC's acceptance of a non-compliant certificate of insurance shall not release the Contractor from the obligations of the insurance requirements or indemnification agreement.

The insurance companies issuing the policies shall have no recourse against the LHC for payment of premiums or for assessments under any form of the policies.

Any failure of the Contractor to comply with reporting provisions of the policy shall not affect coverage provided to the Corporation, its officers, directors, agents, employees and volunteers.

Insurance shall be placed with insurers with an A.M. Best's rating of **A-:VI or higher**. This rating requirement may be waived for workers' compensation coverage only.

G. Subcontractors

Contractor shall include all subcontractors as insureds under its policies OR shall be responsible for verifying and maintaining the certificates provided by each subcontractor. Subcontractors shall be subject to all of the requirements stated herein. The Corporation reserves the right to request copies of subcontractors' certificates at any time.

H. Workers' Compensation Indemnity

In the event Contractor is not required to provide or elects not to provide workers' compensation coverage, the parties hereby agree that Contractor, its owners, agents and employees will have no cause of action against, and will not assert a claim against, the Louisiana Housing Corporation, its officers, agents, and employees as an employer, whether pursuant to the Louisiana Workers' Compensation Act or otherwise, under any circumstance. The parties also hereby agree that the Louisiana Housing Corporation, its officers, agents, and employees shall in no circumstance be, or considered as, the employer or statutory employer of the Contractor, its owners, agents, and employees. The parties further agree that Contractor is a wholly independent contractor and is exclusively responsible for its employees, owners, and agents. Contractor hereby agrees to protect, defend, indemnify and hold harmless the Louisiana Housing Corporation, its officers, agents, and employees harmless from any such assertion or claim that may arise from the performance of this contract.

I. Indemnification and Limitation of Liability

Neither party shall be liable for any delay or failure in performance beyond its control resulting from acts of God or force majeure. The parties shall use reasonable efforts to eliminate or minimize the effect of such events upon performance of their respective duties under Contract.

Contractor shall be fully liable for the actions of its agents, employees, partners or subcontractors and shall fully indemnify and hold harmless the Louisiana Housing Corporation and its Authorized Users from suits, actions, damages and costs of every name and description relating to personal injury and damage to real or personal tangible property caused by Contractor, its agents, employees, partners or subcontractors, without limitation; provided, however, that the Contractor shall not indemnify for that portion of any claim, loss or damage arising hereunder due to the negligent act or failure to act of the Louisiana Housing Corporation. If applicable, Contractor will indemnify, defend and hold the Louisiana Housing Corporation and its Authorized Users harmless, without limitation, from and against any and all damages, expenses (including reasonable attorneys' fees), claims, judgments, liabilities and costs which may be finally assessed against the Louisiana Housing Corporation in any action for infringement of a United States Letter Patent with respect to the Products furnished, or of any copyright, trademark, trade secret or intellectual property right, provided that the Louisiana Housing Corporation shall give the Contractor: (i) prompt written notice of any action, claim or threat of infringement suit, or other suit, (ii) the opportunity to take over, settle or defend such action, claim or suit at Contractor's sole expense, and (iii) assistance in the defense of any such action at the expense of Contractor. Where a dispute or claim arises relative to a real or anticipated infringement,

the Louisiana Housing Corporation or its Authorized Users may require Contractor, at its sole expense, to submit such information and documentation, including formal patent attorney opinions, as may be required.

The Contractor shall not be obligated to indemnify that portion of a claim or dispute based upon: i) Authorized User's unauthorized modification or alteration of a Product, Material, or Service; ii) Authorized User's use of the Product in combination with other products not furnished by Contractor; iii) Authorized User's use in other than the specified operating conditions and environment.

In addition to the foregoing, if the use of any item(s) or part(s) thereof shall be enjoined for any reason or if Contractor believes that it may be enjoined, Contractor shall have the right, at its own expense and sole discretion as the Authorized User's exclusive remedy to take action in the following order of precedence: (i) to procure for the Louisiana Housing Corporation the right to continue using such item(s) or part(s) thereof, as applicable; (ii) to modify the component so that it becomes non-infringing equipment of at least equal quality and performance; or (iii) to replace said item(s) or part(s) thereof, as applicable, with non-infringing components of at least equal quality and performance, or (iv) if none of the foregoing is commercially reasonable, then provide monetary compensation to the Louisiana Housing Corporation up to the dollar amount of the Contract.

For all other claims against the Contractor where liability is not otherwise set forth in the Contract as being "without limitation", and regardless of the basis on which the claim is made, Contractor's liability for direct damages, shall be the greater of \$100,000, the dollar amount of the Contract, or two (2) times the charges rendered by the Contractor under the Contract. Unless otherwise specifically enumerated herein or in the work order mutually agreed between the parties, neither party shall be liable to the other for special, indirect or consequential damages, including lost data or records (unless the Contractor is required to back-up the data or records as part of the work plan), even if the party has been advised of the possibility of such damages. Neither party shall be liable for lost profits, lost revenue, or lost institutional operating savings.

The Louisiana Housing Corporation and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

J. Payment

Payment terms shall be negotiated with the successful Proposer.

K. Termination

1. Termination for Cause

The Corporation may terminate this Contract for cause based upon the failure of the Contractor to comply with the terms and/or conditions of the Contract; provided the Corporation shall give the Contractor written notice specifying the Contractor's failure. If within thirty (30) calendar days after receipt of such notice, the Contractor shall not have either corrected such failure or, in the case of failure which cannot be corrected in thirty (30) calendar days, begun in good faith to correct said failure and thereafter proceeded diligently to complete such correction, then the Corporation may, at its option, place the Contractor in default and the Contract shall terminate on the date specified in such notice. Failure to perform within the time agreed upon may constitute default and may cause cancellation of the contractor.
