PHA Plans (including any plans incorporated therein) ... Strategies and actions must affirmatively further fair housing ...” Use the chart provided to specify each fair housing goal from the PHA’s AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the Annual PHA Plan. The Annual PHA Plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public for serving the needs of low- income, very low- income, and extremely low- income families.

Public reporting burden for this information collection is estimated to average 6.02 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. B.1 Annual Plan Revisions

Section 8 Administrative Plan

Please see the attached redlined version of the Section 8 Administrative Plan, showing proposed changes from the current Administrative Plan. These proposed changes include details regarding use of tenant-based vouchers, revisions to local preferences designed to facilitate lease-up and streamline the preferences, and other updating, technical or streamlining changes.

The Annual Plan revisions note the proposed new strategy of relying significantly on tenant-based vouchers as well as project-based vouchers to meet Permanent Supportive Housing program housing needs. As noted below, the Louisiana Housing Authority (LHA) also operates several special housing programs to meet housing needs—currently the Section 811 Mainstream, Veteran Affairs Supportive Housing and Emergency Housing Vouchers programs.

B.2 New Activities

The LHA is expanding its Housing Choice Voucher program adding tenant based vouchers to its portfolio; therefore converting the administration of the Permanent Supportive Housing Project Based Voucher program to a Permanent Supportive Housing program that administers both project-based and tenant-based vouchers.

B.3 Progress Report

LHA has received HUD funding for 1,565 baseline units. LHA also has received funding for Special Purpose Vouchers as follows: VASH vouchers, Mainstream vouchers, Emergency Housing Vouchers.

As of December 1, 2022, there are 1,484 households included in the program, of which 90% are categorized extremely low income. This includes the following number of households in the Special Purpose Voucher programs: for VASH vouchers, for Mainstream vouchers and for Emergency Housing Vouchers. For all programs, the average household gross annual income is \$8,825.41. All households are classified as disabled, 27% are female heads of household with children and 81% are Black/African American.

C.1 Resident Advisory Board (RAB) comments

The RABs are active statewide. The first RAB meeting occurred virtually on 02/13/2023. An overview of the PSH program was presented at each meeting with a strong emphasis on the importance of submitting documents required annually to avoid termination of assistance. A second meeting occurred on July 14, 2023. This meeting covered the inspection process and importance of keeping units sanitary. Comments regarding the 2024 PHA draft plan are pending.

There were no challenged elements noted during the 45-day comment period or during the November 17, 2023 public hearing.
